

This end user agreement is a legal agreement between you, or, if you represent a legal entity, that legal entity and Letterjuice Ltd. and is applicable to the font software you have ordered from us or third parties.

This non-exclusive, non-transferable, end user license grants you to use the font software for your own personal or internal business purposes according to the terms of this agreement. By purchasing and installing Letterjuice's font software, you agree on all the terms specified within this End User License Agreement.

"Font Software" means coded software that generates typeface designs when used with the appropriate hard- and software plus any and all other data including documentation provided with such software.

This licence allows you to embed the font software within your Mobile Applications and/or E-books (to the maximum number of titles you purchase a licence for).

You can use our desktop fonts to make bitmap graphics such as .gif, .jpg and .png for use in your Mobile Application and/or E-books. However, if you need to embed font software regardless of whether it is for static or dynamic text you need a Digital app and e-book License.

For self hosted solutions for use in websites, you will need to purchase a Web Licence.

3. The right to embed the Font Software shall be for the term of the life-time of the App/apps and/or E-book/s you purchased the Licence for.

4. You shall not use the Font Software for any purpose other than to be embedded within the Mobile Applications and/or E-books.

5. No Transfer Permitted. This License is specific to the Licensee and it is use specific and cannot be transferred to another party, irrespective of whether the original Font Software is sold, given away or otherwise conveyed to another party.

7. Letterjuice Ltd. warrants that the font software will perform in accordance with its documentation. Damaged or defective font software can be replaced when accompanied by the valid sales receipt within 30 day period after purchasing.
